Skate NL

Congratulations to the members and coaches of the Prince of Wales Skating Club on another successful skating season!

In March 1964, the members of a newly formed skating club soon-to-be known as the Prince of Wales Skating Club presented their first ice recital. Since then, generations of skaters have enjoyed a sense of community built by a club steeped in a rich history of excellence in program delivery, personal accomplishment, professionalism, and volunteerism. POWSC Saves the Magic Book showcasing skaters of all ages and abilities, promises to be a season highlight.

To the many skaters who earned ribbons, and badges, achieved personal goals, and skated to podium placements throughout the season congratulations on your accomplishments! Congratulations to Novice Pair Team Lily Evans and Mark Butt on their bronze medal-winning performance at the Skate Canada Challenge and 4th place finish at the Skate Canada Novice Nationals and to the Synergy Novice and Gold Synchronized Skating Teams on their gold medal-winning skates at Atlantic Regionals and Top 10 finishes at the Skate Canada Cup! Congratulations also to Synergy Open whose outstanding performance at the Skate NL Synchronized Skating Championships earned them the Cornel Trophy when the team was determined by the competition judges to be the best team in the competition!

Best wishes to all involved in tonight's production. Skaters, enjoy your show to the fullest! I wish you a great skate while performing under the spotlight as you share your joy of skating with family, friends, and the community!

Yours in Skating,

Bev Power
Chairperson
Skate Canada Newfoundland & Labrador

Prince of Wales Skating Club

Dear POWSC Community,

On behalf of our Board, let me extend a warm welcome to our annual Ice Show, marking the 59th Anniversary of the Club's history. It is my utmost privilege to celebrate the end of our regular season together with you, our skaters, and their families. All this would not be possible without our coaches who put hundreds of hours into training our skaters across all ages. Our club is also very fortunate in having volunteers that work tirelessly behind the scene to make sure your skater is progressing with fine skating skills while enjoying a healthy athletic activity with social interactions. Big thanks and gratitude goes to all of you!

2024 Ice Show titled "The Magic Book" was produced and choreographed by a team of three coaches, Allison Dawe, Viktoriya Vaypan, and Yuriy Vaypan with support of other coaches. Allison is our board member, Skate Canada official and a coach, and a synchro volunteer. Yuriy and Viktoriya bring a wealth of international experience to our club in on-ice and off-ice coaching and a choreography composition. The Magic Book is immersing us into a unique carnival atmosphere which has everyone talking about it.

I won't be repeating all successes and achievements of our skaters this year already included in this booklet. Our club had a strong presence at all province wide competitions as well as on the national scene. Notably, Lily Evans and Mark Butt (MPPSC) won a bronze medal in the Novice Pairs category at the Skate Canada Challenge in Oakville, ON. A number of our synchronized skating teams reached the top of the podium at the recent Provincial Championships, and just last week, our skaters brought home 4 medals from the Atlantic Canada Championships. Congratulations to all skaters representing our club!

Our CanSkate and PowerSkate programs exceeded the pre-pandemic enrolment levels and much of our gratitude goes to our head coach Colin who works tirelessly in creating new opportunities for our skaters and coaches. We welcomed two new full-time coaches this year, Lasse and Jussiville, who helped with the show. Allison Dawe also spearheaded organizing the InterClub competition with record-breaking participation. All our coaches and volunteers deserve a round of applause for their time and efforts.

Let me conclude my message with a note of gratitude to our administrators who were scanning your ice show tickets by the door, Barbara and Marjorie. Our operations stand on their professionalism and high work ethics and I can't imagine our club without them. A final thank you goes to the section office of Skate Canada for their support of our club, our coaches and skaters - we really appreciate your help!

Enjoy The Magic Book show, see you next season!

GRAND FINALE

On a wind-swept rock in the middle of the icy North Atlantic there is a very special library. Its shelves are stuffed with books telling tales of adventure, weaving spells of wonder, and unlocking the secrets of the world around us.

At the heart of this renowned collection of stories, there is one book in particular, more powerful, more enchanted than all the rest... The Magic Book of Fairy Tales. Its pages contain the most universally cherished tales from childhood, each story a separate world of adventure and imagination. Imbued with ancient and mystical powers, The Magic Book opens a portal to these unforgettable worlds of magic and miracles, transporting its readers directly into the heart of the tales, immersing them so completely they become part of the story themselves.

One fateful evening, as the sun dips below the horizon, a mischievous pair of Book Monsters creeps into our sanctuary. The monsters wreak havoc on our beloved book, pilfering the pages and scattering their stories.

Now, in order to save The Magic Book and restore its special powers, the skaters of Prince of Wales Skating Club must embark on a quest to retell the missing stories and return them to their rightful place!
